WORKSHOP ON INDIAN ACCOUNTING STANDARDS AT GOA

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Indian Accounting Standards (Ind AS)** is being organized by NAHRD from **22.09.2024 to 25.09.2024 at Goa**

The main objective of Indian Accounting Standards is to standardize the diverse accounting policies and practices. These Accounting Standards were implemented to eliminate the non-comparability of financial statements and the reliability to the financial statements. Since accounting is one of the mainstream functions of business operations, the standards help individuals understand the financial position of the company. In the case of accounting, the standardized rules are similar to the literature rules. A need has been felt to train the officers in Finance, Accounts and Administration to equip them with requisite knowledge and skills for effectively discharging their duties. After participating in the workshop, the participants shall have updated their knowledge and skills in the following areas:

- Overview of Indian Accounting Standards (Ind AS)
- Key differences between Ind AS and Indian GAAP
- Ind AS adoption roadmap for Companies
- Scope & applicability of Ind AS 101
- Mandatory exceptions and optional exemptions
- Presentation and disclosure requirements
- Impact of Ind AS
- Scope & Core Principles of Ind AS 115
- Five step model for revenue recognition
- Overview of Ind AS 116 and its objectives
- Identification and classification of leases
- Case Law and Open House

Workshop Methodology

Please note that in case of any new rule/ provision is notified or amended in existing provisions/ rules made by the competent authority, the same will also be covered in the present workshop.
