WORKSHOP ON THE DIGITAL PERSONAL DATA PROTECTION ACT & PRIVACY COMPLIANCE AT JAISALMER (RAJASTHAN)

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **The Digital Personal Data Protection Act, 2023 and Privacy Compliance** is being organized by NAHRD from **19.02.2025 to 22.02.2025** at **Jaisalmer (Rajasthan)**.

The Digital Personal Data Protection Act is crucial for balancing the benefits of digital innovation with the protection of individuals' privacy rights and ensuring a fair and transparent digital ecosystem for all stakeholders. The specifics of each law may vary, but they generally aim to achieve similar goals of ensuring transparency, accountability, and control over personal data. The awareness of the Digital Personal Data Protection Act is essential for promoting compliance, protecting personal data, enhancing trust, managing risks, and fostering a culture of accountability and transparency in the digital ecosystem. The workshop focuses on digital personal data protection and is crucial for organizations to meet legal requirements, mitigate risks, uphold ethical standards, build trust with customers, gain a competitive edge, empower employees, and stay ahead of regulatory developments in an increasingly data-driven world. This workshop aims to provide participants with a comprehensive understanding of the Digital Personal Data Privacy Act, its implications, and practical steps to ensure compliance and protect personal data in the digital age. The sessions combine expert presentations, interactive discussions, case studies and practical activities to engage participants and promote a thorough understanding of data privacy in the digital realm. This workshop will provide a focus on the following issues:

- Understanding the Digital Personal Data Protection Act 2023
- Overview of the DPDP Act and Legal Implications for Businesses and Individuals
- Data Collection, Data Breach Notification and Reporting and Processing Requirements
- Case Studies on Compliance and Cybersecurity Best Practices
- Embedding Privacy Principles in Product and Service Development
- Privacy Impact Assessments and Compliance and Data Protection
- Data Encryption, Secure Data Storage and Secure Transmission
- Role of IT in Ensuring Data Security
- Managing Data Access and Consent
- Role of Data Protection Officers
- Consent Management Platforms and its Case Studies

Workshop Methodology

The workshop will be organized on highly participative lines. The training methods will include lectures, group discussions, exercises, presentations, case studies, etc.
