WORKSHOP ON RIGHT TO INFORMATION ACT AT IIPA, NEW DELHI

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Govt., State Govt., Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations.

Indian Institute of Public Administration (IIPA) is an autonomous organization under Department of Personnel & Training, Government of India. IIPA was formally inaugurated by the first Prime Minister of India, as the first President of the Society, on March 29, 1954 in New Delhi. The Institute has been set up to equip the public servants with domain knowledge, functional skills, and behavioural competencies required for managing the task of governance. The institute provides technical skills of management, human skills for coordination roles and conceptual skills for taking up leadership roles in public policy planning and execution. In its effort to enhance the leadership, managerial, and administrative capabilities of the executives in government and public sector enterprises, the Institute works in close collaboration with national and international organisations.

A workshop on **Right to Information Act** is being organized by NAHRD in collaboration with IIPA from **20.01.2025 to 21.01.2025 at IIPA, New Delhi.**

Section 26 (d) of the RTI Act specifically places an obligation on the Central and State Governments to provide training to public officials. As a priority, all Public Information Officers (PIOs), Appellate Authorities and their facilitation officers need to be fully trained on what their responsibilities are under the law, how to manage applications/appeals and of course, how to apply and interpret the law. The object of the workshop is to appraise the PIOs, Appellate Authorities, Nodal Officers, Law Officers and their facilitating officers about the features of RTI Act, latest judgments of the superior courts and CIC on the subject. The program has been designed keeping in view of the mandatory requirements under the RTI Act that Govt. Departments, PSUs, Boards and Corporations should train their concerned officers on RTI for effective implementation. Needless to add that inapt handling of the RTI requests severely hampers the efficiency of the organization. After the workshop the participants shall have updated themselves in the following aspects:

- Provisions & Procedure under RTI Act, 2005
- Exemptions & Exclusions under the Act
- Personal & third-party information under the Act
- Roles & functions of various officials (PIOs, AAs, Nodal Officers, etc.)
- Improvement in the drafting skills to minimize the number of appeals
- Judgments passed by Hon'ble Supreme Court of India, Various High Courts & Information Commissions
- Handling of Online RTI applications
