ONLINE WORKSHOP ON CYBER HYGIENE & SECURITY

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

An online workshop on **Cyber Hygiene & Security** is being organized by NAHRD from **22.07.2025 to 23.07.2025**.

In an increasingly digital world, the role of Government Officers managing the various departments has expanded beyond traditional realms to encompass cyber hygiene and security. The government officers are entrusted with maintaining transparency, integrity and accountability within the financial and other transactions of the organizations. To effectively fulfill this role, they must also be well versed in cyber hygiene and security practices to safeguard sensitive information and prevent cyber threats. Cyber hygiene & Security refers to the practices and behaviors individuals and organizations adopt to ensure the health and security of their digital environment. Government Officers play a pivotal role in upholding cyber hygiene within their organizations. This workshop will provide a focus on the following issues:

- Widespread use of ICT including ERP
- Cyber Threat Landscape including Legal Framework: Information Technology Act 2000 and Digital Personal Data Protection Act, 2023
- Cyber Hygiene and Security & Secure Communication Practices
- Phishing Awareness and Email Security
- Safe Internet Browsing, Social Engineering, and Insider Threats
- Mobile Device Security
- Securing smartphones and tablets
- Role & Responsibilities of Chief Information Security Officer
- Digital Forensic Investigation and Role of CERT-In and other Agencies
