National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Govt., State Govt., Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Safety, Risk & Disaster Management** is being organized by **18.02.2026 to 21.02.2026 at Kathmandu (Nepal)**

India recognizes that hazard risk prevention and mitigation are vital for sustainable development. The Government of India, under the Disaster Management Act, 2005, prioritizes prevention, preparation, and mitigation. To support this, the National Academy of Human Resource Development (NAHRD) proposes a two-day "Disaster Management" training programme. India's diverse geography makes it prone to natural and human-induced disasters. The National Disaster Management Plan (NDMP) 2016 emphasizes disaster risk reduction through prevention, preparedness, and mitigation. This training will enhance participants' knowledge of disaster risk reduction, legal frameworks, first aid, and response. Expert sessions will promote a "Build Back Better" approach and equip participants with essential disaster management skills, including:

- Disaster Risk Reduction (DRR) Strategies
- Legal and Institutional Frameworks
- Emergency Response Techniques
- Developing Disaster Management Plans
- Managing Human-Induced Hazards
- Ethical Considerations
