

**WORKSHOP ON THE DIGITAL PERSONAL DATA PROTECTION ACT & PRIVACY  
COMPLIANCE AT IIPA, NEW DELHI**

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

**Indian Institute of Public Administration (IIPA)** is an autonomous organization under Department of Personnel & Training, Government of India. IIPA was formally inaugurated by the first Prime Minister of India, as the first President of the Society, on March 29, 1954 in New Delhi. The Institute has been set up to equip the public servants with domain knowledge, functional skills, and behavioural competencies required for managing the task of governance. The institute provides technical skills of management, human skills for coordination roles and conceptual skills for taking up leadership roles in public policy planning and execution. In its effort to enhance the leadership, managerial, and administrative capabilities of the executives in government and public sector enterprises, the Institute works in close collaboration with national and international organisations.

A workshop on **The Digital Personal Data Protection Act, 2023 and Privacy Compliance** is being organized by NAHRD in collaboration with **IIPA** from **08.09.2025 to 09.09.2025 at IIPA, New Delhi.**

The Digital Personal Data Protection Act is crucial for balancing the benefits of digital innovation with the protection of individuals' privacy rights and ensuring a fair and transparent digital ecosystem for all stakeholders. The specifics of each law may vary, but they generally aim to achieve similar goals of ensuring transparency, accountability, and control over personal data. The awareness of the Digital Personal Data Protection Act is essential for promoting compliance, protecting personal data, enhancing trust, managing risks, and fostering a culture of accountability and transparency in the digital ecosystem. The workshop focuses on digital personal data protection is crucial for organizations to meet legal requirements, mitigate risks, uphold ethical standards, build trust with customers, gain a competitive edge, empower employees, and stay ahead of regulatory developments in an increasingly data-driven world. This workshop aims to provide participants with a comprehensive understanding of the Digital Personal Data Privacy Act, its implications, and practical steps to ensure compliance and protect personal data in the digital age.
