## **WORKSHOP ON CYBER HYGIENE & SECURITY AT IIPA, NEW DELHI**

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Govt., State Govt., Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations.

**Indian Institute of Public Administration (IIPA)** is an autonomous organization under Department of Personnel & Training, Government of India. IIPA was formally inaugurated by the first Prime Minister of India, as the first President of the Society, on March 29, 1954 in New Delhi. The Institute has been set up to equip the public servants with domain knowledge, functional skills, and behavioural competencies required for managing the task of governance. The institute provides technical skills of management, human skills for coordination roles and conceptual skills for taking up leadership roles in public policy planning and execution. In its effort to enhance the leadership, managerial, and administrative capabilities of the executives in government and public sector enterprises, the Institute works in close collaboration with national and international organisations.

A workshop on **Cyber Hygiene & Security** is being organized by NAHRD in collaboration with **IIPA** from **08.09.2025 to 09.09.2025 at IIPA, New Delhi**

In an increasingly digital world, the role of Government Officers managing the various departments has expanded beyond traditional realms to encompass cyber hygiene and security. The government officers are entrusted with maintaining transparency, integrity and accountability within the financial and other transections of the organizations. To effectively fulfill this role, they must also be well versed in cyber hygiene and security practices to safeguard sensitive information and prevent cyber threats. Cyber hygiene & Security refers to the practices and behaviors individuals and organizations adopt to ensure the health and security of their digital environment. Government Officers play a pivotal role in upholding cyber hygiene within their organizations. This workshop will provide a focus on the following issues:

- Widespread use of ICT including ERP
- Cyber Threat Landscape including Legal Framework: Information Technology Act 2000 and Digital Personal Data Protection Act, 2023
- Cyber Hygiene and Security & Secure Communication Practices
- Phishing Awareness and Email Security
- Safe Internet Browsing, Social Engineering, and Insider Threats
- Mobile Device Security
- Securing smartphones and tablets
- Role & Responsibilities of Chief Information Security Officer
- Digital Forensic Investigation and Role of CERT-In and other Agencies
- Reporting & Preserving Procedures in case of Cyber Crime
- Cyber Security Guidelines for Government Officers
