**WORKSHOP ON EFFECTIVE USE OF ARTIFICIAL INTELLIGENCE (AI) IN HR & ADMIN
AT AMRITSAR**

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Effective Use of Artificial Intelligence in HR & Admin** is being organized by NAHRD from **22.02.2026 to 25.02.2026 at Amritsar**.

Artificial Intelligence (AI) has rapidly become an integral part of personal and professional ecosystems—empowering individuals, businesses, industries, and governments to perform complex tasks with greater accuracy and efficiency. As workplaces evolve, the strategic application of AI offers immense potential to transform HR and Administrative functions, streamline processes, and enhance decision-making.

This workshop on **Effective Use of AI in HR & Administration** is designed to equip participants with practical knowledge, tools, and insights to harness AI for improving workplace productivity and operational excellence. Through interactive sessions, hands-on demonstrations, and real-world examples, participants will gain a deeper understanding of AI technologies, their applications, and the ethical considerations necessary for responsible adoption. In HR, AI can significantly enhance recruitment, onboarding, learning & development, performance management, employee engagement, and workforce analytics. In Administration, AI supports facility management, workflow automation, document processing, data management, scheduling, and communication systems. By automating routine tasks and enabling data-driven insights, AI empowers HR and Admin professionals to focus on strategic, high-impact organizational priorities. Broad contents of the program are as follow

- Benefits of AI at the Workplace
- Virtual Assistants & Chatbots
- Document Automation and Processing
- Transforming HR with AI & Analytics
- Automating HR Functions through AI
- Personalized Employee Experience with AI
- Addressing Skill Gaps with AI
- AI Tools for Document & Workflow Management
- Data Analytics & Business Intelligence
- AI in Data-Driven Decision Making for HR & Admin
