**WORKSHOP ON EFFECTIVE USE OF ARTIFICIAL INTELLIGENCE (AI) IN
WORKPLACE AT LEH, LADAKH**

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Effective use of Artificial Intelligence (AI) in Workplace** is being organized by NAHRD from **09.08.2026 to 12.08.2026** at Leh, Ladakh.

Individuals, Business, Industry and Governments, all are using ChatGPT (Chat Generative Pre-Trained Transformer) as well as Google Bard for variety of sophisticated and complex personal and professional activities. The rapid advancement of Artificial Intelligence (AI) presents significant opportunities for organizations to revolutionize their office workplaces. This comprehensive training program aims to equip participants with the knowledge and skills needed to leverage AI effectively, driving productivity, and enhancing efficiency in the workplace. Through a series of interactive sessions, participants will explore various AI applications, learn about key technologies, and understand the ethical considerations surrounding AI adoption.

National Informatics Centre (NIC), NITI Aayog, Unique Identification Authority of India UIDAI, Ministry of Electronics and Information Technology (MeitY) and Central Board of Direct Taxes (CBDT) are some of the first mover government organization who are driving benefits from application of AI in their respective offices. MeitY has been encouraging and helping other government organizations in implementing AI. Broad contents of the program are as given below:

- Introduction to AI and its Applications
- AI Technologies and Concepts
- Benefits of AI in the Office
- Description & Demonstration of several AI tools for Office
- Cyber security (Dark trace)
- Case Studies
- Personalization in the Office
- Future Trends in Office AI

Workshop Methodology

The workshop will be organized on highly participative lines. The training methods will include lectures, group discussions, exercises, presentations, case studies, etc. Prior knowledge of IT is not necessary.

Subject Experts having practical working knowledge and experience on the subject will be invited as faculty for the present workshop.

NAHRD's workshops have consistently received strong appreciation from senior officers and professionals across a wide spectrum of Ministries, Regulators, PSUs, Financial Institutions, and Academic Bodies.
