WORKSHOP ON MANAGEMENT OF TRAINING AND TRAINING OF TRAINERS AT GOA

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Management of Training and Training of Trainers** is being organized by NAHRD from **21.10.2026 to 24.10.2026** at Goa.

Human assets of every organization must undergo regular training in order to be competitive enough to face impromptu challenges in the external as well as internal environment. Strategically investing in your employee's training and development, nurturing their talents, and building their skill sets helps your organization achieve its desired results, enhances your company's culture, and assists your leaders in better managing talent. As a result, Management of Training is important and involves evaluating and prioritizing learning needs, creating and planning staff development initiatives, managing the administration of these programs and their costs, as well as measuring results. The main objective of the present workshop is to develop and apprise Officers' competencies and skills required to be an effective training/HRD personnel. Since they play crucial role in learning and development of the entire organization, it is imperative that their functions are discharged with proper skills as required from case-to-case basis. The present workshop is for the benefit of training managers/trainers, HR Officials, Directors who are handling learning and development in their organizations. It will also be beneficial for officers who wish to be trained as trainers. After participating in the workshop the officers shall have updated their knowledge and skills in the following areas:

- Overview and Role of Training Function in organizational
- Systematic and competency approach to training and its components
- Training function and role of training managers/Trainers
- Identify organization and individual training needs
- Training Methodology and its Needs Analysis and Reporting
- Well designing and development of training and its lesson plans
- Mastering the delivering key of training strategies commonly used; such as brainstorming, processing/ process checks, role plays, and practice sessions
- Implementation of training and Giving and Receiving feedback
- Preparation of Lesson Plan
- Acquiring proficiency in commonly used training methods
- Question Handling skills for trainers
- Vendor Management & Budgeting

Workshop Methodology

The workshop will be organized on highly participative lines. The training methods will include lectures, group discussions, exercises, presentations, case studies, etc.
