WORKSHOP ON EFFECTIVE USE OF ARTIFICIAL INTELLIGENCE (AI) IN FINANCE & ACCOUNTS AT LEH, LADAKH

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Effective use of Artificial Intelligence (AI) in Finance & Accounts** is being organized by NAHRD from **09.08.2026 to 12.08.2026** at Leh, Ladakh.

Artificial Intelligence (AI) is rapidly transforming the way individuals, businesses, industries, and governments manage complex professional and operational activities. With the fast-paced evolution of AI technologies, organizations now have unprecedented opportunities to modernize financial functions, strengthen analytical capabilities, and improve overall efficiency.

This specialized training program has been designed to equip participants with the knowledge and practical skills required to integrate AI into core finance and Accounts process. Through a series of interactive sessions, participants will explore cutting-edge AI applications, understand key technological concepts, and gain insights into the ethical and governance considerations essential for responsible AI deployment. In the Finance and Accounts domain, AI plays a pivotal role in budgeting, forecasting, financial analysis, expense management, fraud detection, audit processes, and automation of routine accounting tasks. By minimizing manual errors and reducing repetitive workloads, AI enables finance professionals to focus on strategic planning, informed decision-making, and value-driven outcomes. Broad contents of the program are as given below:

- Benefits of AI at the Workplace
- Virtual Assistants & Chatbots
- Document Automation and Processing
- Data Analytics & Business Intelligence
- Effective Use of AI in Office Finance and Accounts
- AI in Budgeting, Forecasting & Fraud Detection
- AI Tools for Document & Workflow Management
- AI for Compliance & Audit
- AI in Data-Driven Decision Making for Finance
