WORKSHOP ON COMPLIANCES & EXEMPTIONS UNDER COMPANIES ACT AND LODR AT GOA

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Govt., State Govt., Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations.

A workshop on **Compliances & Exemptions under Companies Act and LODR** is being organized by NAHRD **04.10.2026 to 07.10.2026** at Goa.

In today's dynamic regulatory environment, organizations are required to maintain strong governance practices alongside robust compliance mechanisms to ensure transparency, accountability, and sustainable performance. Effective corporate governance is no longer limited to policy oversight but demands active engagement from Directors, Independent Directors, and Key Managerial Personnel (KMPs) in strategic decision-making, risk management, ethical leadership, and regulatory adherence. At the same time, evolving provisions under the Companies Act and SEBI (LODR) Regulations have made it essential for professionals to remain updated on statutory compliances, disclosure requirements, and applicable exemptions.

This integrated program combines the principles of Corporate Governance with practical understanding of Compliances and Exemptions under the Companies Act and LODR framework, enabling participants to connect governance responsibilities with regulatory execution. The program focuses on strengthening board effectiveness, clarifying fiduciary roles and accountability structures, and providing actionable insights into compliance management and regulatory expectations. By bridging governance frameworks with compliance practices, the workshop aims to enhance participants' ability to navigate complex regulatory requirements while promoting responsible leadership, informed decision-making, and organizational integrity in an increasingly compliance-driven environment. This workshop will provide a focus on the following issues:

- Key provisions and regulatory framework under the Companies Act, 2013
- Linkages between statutory laws and governance guidelines
- Board structure, roles and responsibilities of Directors and Independent Directors
- Board Meetings & Board Processes
- Compliance requirements relating to board meetings and filings
- Applicability of SEBI (LODR) Regulations and related provisions
- Listing Provisions applicable to Government Companies
- Responsibilities & Liabilities of Directors, Independent Directors, KMPs & Officer in Default
- Disclosures in Board Report
