WORKSHOP ON PERSONAL & ORGANISATIONAL CYBER SECURITY
ESSENTIALS AT UDAIPUR

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Govt., State Govt., Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations.

A workshop on **Personal & Organisational Cyber Security Essentials** is being organized by NAHRD from **28.02.2027** to **03.03.2027** Udaipur.

In today's digitally connected environment, cyber threats have become one of the most significant risks affecting individuals, organizations, and critical infrastructure. Increasing incidents of phishing attacks, ransomware, data breaches, social engineering, identity theft, and insider threats have highlighted the urgent need for enhanced cyber awareness and security preparedness at all levels. This training program has been carefully designed to equip participants with essential knowledge, practical awareness, and preventive strategies related to personal and organisational cyber security. The program focuses on strengthening cyber hygiene practices, safeguarding digital assets, protecting sensitive information, and developing a culture of cyber vigilance within organisations. The program will combine expert deliberations, practical case studies, interactive discussions, and real-life cyber incident analysis to help participants understand emerging cyber risks and adopt effective mitigation measures. This workshop will provide a focus on the following issues:

- Introduction to Cyber Security & Emerging Threat Landscape
- Common Cyber Threats, Vulnerabilities & Attack Vectors
- Personal Cyber Hygiene & Digital Safety Practices
- Password Security, Email Security & Access Controls
- Organisational Cyber Security Measures & Risk Management
- Incident Detection, Response & Recovery Mechanisms
- Data Protection, Privacy & Information Security Practices
- Building a Cyber-Aware Workplace Culture
- Cyber Security Case Studies & Real-Life Incidents
- Practical Tools, Resources & Best Practices for Cyber Safety
- Interactive Discussions, Exercises & Expert Sessions
