WORKSHOP ON MINES AND MINERALS (DEVELOPMENT AND REGULATION) ACT, 1957 AT GOA

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Government, State Governments, Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations across the country.

A workshop on **Mines and Minerals (Development and Regulation) Act, 1957** is being organized by NAHRD from **21.10.2026 to 24.10.2026** at Goa.

The Mines and Minerals (Development and Regulation) Act, 1957 is the principal legislation governing the exploration, grant of mineral concessions, and regulation of mining activities in India. Enacted to ensure Union control over mineral resources in the public interest, the Act provides the legal framework for the grant of Prospecting Licences, Composite Licences, Exploration Licences, and Mining Leases. Over the years, the Act has undergone several significant amendments to strengthen transparency, efficiency, and regulatory oversight in the mining sector. Given the frequent amendments and evolving regulatory framework, it is essential for officers associated with mining administration, regulation, compliance, and enforcement to remain updated with the latest legal and procedural developments. Non-compliance with statutory provisions relating to mineral concessions, royalty payments, and environmental or forest clearances may result in financial liabilities, penalties, lease lapse, and legal action.

This program is designed for officers from Ministries, Departments, State Directorates, District Offices, PSUs, Revenue, Forest and Environment Departments, Pollution Control Boards, Legal and Compliance Divisions, Finance and Audit Wings, District Administration, and Law Enforcement Agencies involved in mining regulation and enforcement. The program will provide participants with a comprehensive understanding of the Act, recent amendments, associated rules, and key compliance requirements. After the workshop, participants shall have updated themselves in the following aspects:

- Constitutional basis and regulatory overview of the MMDR Act, 1957
- A comparative analysis - Key amendments under MMDR Acts of 2015, 2021 & up to 2025
- Mineral concession types, eligibility, area limits, lease periods, and auction-based grant under Sections 10B, 10BA, 11, 11A, and 11D
- Revised royalty, dead rent, and statutory levies under Second Schedule notifications
