ONLINE WORKSHOP ON IT & CYBER SECURITY AND CYBER HYGIENE

National Academy of Human Resource Development (NAHRD) was established to deliver competency-enhancing learning to officials of Central Govt., State Govt., Public Sector Undertakings, Autonomous Bodies, Banks, Insurance Companies, etc. We have organized large number of workshops in the past, which have been very well attended and appreciated by officials of various organizations.

Central Vigilance Commission, Government of India has issued a circular dated 03.08.2026 regarding Observance of Vigilance Awareness Week 2026 mentioning focus on a number of areas including Capacity Building of officers across all levels, on a number of topics including on IT & Cyber Security and Cyber Hygiene.

An online workshop on **IT & Cyber Security and Cyber Hygiene** is being organized by NAHRD on **14.10.2026**.

In an increasingly digital world, the role of Government Officers managing the various departments has expanded beyond traditional realms to encompass cyber hygiene and security. The government officers are entrusted with maintaining transparency, integrity and accountability within the financial and other transactions of the organizations. To effectively fulfil this role, they must also be well versed in cyber hygiene and security practices to safeguard sensitive information and prevent cyber threats. Cyber hygiene & Security refers to the practices and behaviors individuals and organizations adopt to ensure the health and security of their digital environment. Government Officers play a pivotal role in upholding cyber hygiene within their organizations. The broad content of the workshop are as follows:

- Widespread use of ICT including ERP
- Cyber Threat Landscape including Legal Framework: Information Technology Act 2000 and Digital Personal Data Protection Act, 2023
- Cyber Hygiene and Security & Secure Communication Practices
- Phishing Awareness and Email Security
- Safe Internet Browsing, Social Engineering, and Insider Threats
- Mobile Device Security
- Securing smartphones and tablets
- Role & Responsibilities of Chief Information Security Officer
- Digital Forensic Investigation and Role of CERT-In and other Agencies
- Reporting & Preserving Procedures in case of Cyber Crime
- Cyber Security Guidelines for Government Officers

Workshop Methodology

The workshops will be organized on highly participative lines. The training methods will include lectures, group discussions, exercises, presentations, case studies, etc, with focus on IT & Cyber Security and Cyber Hygiene.

Faculty

Dr. Rakshit Tandon is a globally recognised Cyber Security Evangelist, consultant and trainer with over two decades of expertise in cyber forensics, ethical hacking and cybercrime investigations. As a Risk Advisory and Cyber Detect & Respond Leader, he serves as a Consultant for the CID Haryana Police and the Internet and Mobile Association of India (IAMAI), and advises state cybercrime cells across India. He is a key resource person and visiting faculty at premier institutions including the CBI Academy, NIA and state-level police training institutes. He is the Founder of Hackdev Technology Pvt. Ltd., which spearheads initiatives such as Hackershala and CyAid, focused on cyber education and digital hygiene, and has reached over 7 million students across India through cyber-safety awareness campaigns; he was also a contributor to UNICEF's study on child online protection. He is a Non-EU Expert for the European Commission and a Training Consultant for UNODC, and has trained law enforcement, armed forces and corporates extensively – bringing direct, field-tested expertise to modules on Cyber Security principles, cyber laws, threat awareness and cyber hygiene.
